President's Report

Leadership Academy 2018

BHS Healthy Chapter Initiative - Leadership Facilitators

At Leadership Academy we learned that the Society's Leadership Operations Process Team (LOPT) can provide a chapter facilitator free of charge by phone, Skype, etc. In particular, it has a program called **THINK** run by Antonio Lombardi that helps chapters determine their true interests and organize around them. The facilitator can conduct a survey of chapter members and former members, asking questions like "What do you love about this chapter?" In this way they can help us to understand what is most important to our membership. Dick Powell, the BHS Executive Vice President, made the points that this is better than a chapter discussion -- which is usually dominated by a few voices -- and better than a survey organized and reported by the chapter leadership -- which some members may suspect.

This is described at <http://www.barbershop.org/education/healthy-chapter-initiative/leadership-facilitators/>.

Web Tool

We also learned that a BHS website tool called GroupanizerSing3 (described at <http://www.barbershop.org/resources/website-tools/> and in more detail by the vendor at <https://www.choirgenius.com/>) is useful for informing members of the schedule and doing a lot of the things we expect from the chapter website. Jim Dodd has been talking about this. A free trial is available. The price for 16-39 users is regularly \$31 per month but may be around \$23/month if they have a BHS discount.

Copyrights

Non-monetized YouTube videos can be posted freely under copyright law, according to district assistant secretary Chris Buechler. The copyright danger chapters have to worry about is a file cabinet full of unauthorized photocopies. There is a \$10,000 fine per illegal copy, and all board members are liable!

Admin

The old BHS ebiz web page is now called Member Center. It lists (visible to certain chapter officers) our members and their dues payments.

The district's Barberscore page is where we register for competition. We need to list any songs we MAY sing, not just those we're sure we'll sing. We're encouraged to include with our registration a scan of the first page of any music we'll sing.

Chris Buechler has taken over show clearances from Neil Keim.
