Bruce,

I haven't reported in a while so here is a quick update.

1) There have been no changes in our relationship with Rochester as our tux supplier. Cost to us for a full tux is still \$195. Parts of the ensemble are priced as follows: Rochester has serviced new members at fairly short notice, even during their busy prom season.

Replacement Cost (ensemble is \$195)
Coats 95.00
Pants 39.00
Shirts 20.00
Vest 52.00
Pocket Sq 6.00
Tie 20.00

2) We have 6 full/partial tuxes of various sizes in the closet - returns from inactive members. We have been using these to fill gaps in emergencies. I also still have a very small inventory of extra hankies and ties that I bring to concerts and contests, but my supply is diminishing.

3) I recently did an inventory of Class C/D shirts and verified against my electronic inventory. We have no plans to order any more of these shirts.
