Hello Ms. Donnell and Ms. Bursk:

The Cherry Hill Pine Barons signed up April 30, 2019 to participate with your NJ Family First Discovery Program.

I was wondering if you could direct me to the appropriate url/website so that we may be able to see our listing as one of the participants in your program?

Our Board is wondering what printed information and web information is available for the families that qualify for your program.

Our next Board meeting is this Thursday, July 18, 2019, so if you could please reply to this email by Wednesday, July 17, I would greatly appreciate it.

Regards,

Michael Thornton

Hi Michael,

Check out www.familiesfirstdiscoverypass.com for all the details, and the linked page of orgs offering discounts- including yours!

The NJ Department of Human Services is distributing printed posters to every County assistance office in the state, and every food pantry, and the Boys and Girls Clubs of NJ is doing the same this month at their full-chapter meeting. DHS and DOH (Dept. of Health) are also actively promoting the program through their websites and via email to benefits recipients.

The Secretary of State just did a radio interview with WHYY last week about the program- see here: <https://whyy.org/articles/n-j-cultural-institutions-and-state-partner-on-discounts-to-residents-on-public-benefits/>

We are so proud of this- and so thankful to organizations like yours for participating.

My best,

Danielle

Danielle: Thank you very much for your informative reply. We continue to wish you success with your Family First program.

Have a question regarding our appearance on Page 13 of the List of Participating Organizations.

Is there anything that we could do or could have done to make an active and direct link to our website from within your 15 page list of participants?

It appears there are active web links for the first seven pages of the listings.

Is there any way your support team could make all of the links active, including our link to <https://pinebarons.org> ?

Regards,

Michael
