[Pine Barons] Karaoke and open mic events

To Pine Barons <pinebarons@googlegroups.com>

Gentleman

As a recruiting project I want to compile a list of establishments that offer karaoke or open mic nights

With this list I am going to encourage our established quartets to participate in one or more events to demonstrate Barbershop Harmony and potentially recruit a few new members.

Let's find a member, a new concert patron, or a singing valentine booking.
