

# OrderSingingValentine.com - Available Features

Are you seeking a better way to take orders, organize and run your Singing Valentine program for your chorus or group?  
**You have come to the right place!**

Become an [OrderSingingValentine.com Member](#) and gain access to the absolute best system available today. The tools you need to take orders, get paid, manage & route your quartets and organize your total program! **Plus** your membership now includes access to [BarberShopShows.com](#) to sell show tickets online and manage ticket sales for your concerts!

## **Much More than an Online Order form, we streamline your whole operation!**

You will be more efficient, more organized and more profitable! From ordering, method of payment and orders management to assignment & routing of quartets, tracking of payments and one click reporting at the end, this system makes your job easier.

## **Plus, the transition from one Singing Valentine Coordinator to the next is a snap.**

It's all in one place, set up & ready to go next year! The new Coordinator will simply need the login for your account.
