CLANCY LOWERED THE BOOM

1. Now Clancy was a peaceful man, if you know what I mean,
The cops picked up the pieces after Clancy left the scene.
He never looked for trouble, that's a fact you can assume.
Put never-the-less, when trouble would press,
Clancy lowered the boom.
2. O'Houlihan delivered ice to Mrs. Clancy's flat.
He'd always linger for a while to talk of this and that.
One day he kissed her just as Clancy walked into the room.
Before you could say the time of the day,
Clancy lowered the boom.
3. O'Leary was a fightin' man, they all knew he was tough.
He strutted 'round the neighborhood a-shootin' off his guff.
When he picked a fight with Clancy, then and there he sealed his doom.
Before you could shout, " O'Leary, look out, "
Clancy lowered the boom.
4. The neighbors all turned out for Kate O'Grady's wedding night.
McDougal said, " Let's have some fun ! I think I'll start a fight, "
He wrecked the hall, and kissed the bride, and pulverized the groom,
And quick as a wink, before you could think,
Clancy lowered the boom.
5. Clancy left the barber shop with tonic on his hair.
He went into the pool room and he met O'Reilly there.
O'Reilly said, "For goodness sakes now ! Do I smell perfume ? "
Before you could stack your cue in the rack,
Clancy lowered the boom.
