THE RECORD enclosed with this booklet brings you a special Christmas concert by the General Motors Chorus of more than 100 voices, Frank Murch, Conductor. We hope that you will enjoy these "Songs of Christmas" presented by your fellow employees in the Chorus.

This is a high-fidelity record made of flexible vinyl, to be played at 33-1/3 RPM. Since it is smaller in diameter than most 33-1/3 RPM records, the tone arm of the record player must be lifted over and placed on the record manually.
