

KEEP AMERICA SINGING

M. L. LEEMAR

FRANK H. THORNE

Sing-ing is a ton-ic for the care worn, Doc-tors say it's good for our mor-ale, —

Sing-ing is a ton-ic that builds friend-ship, It makes ev-'ry friend of ours a pal.

CHORUS

Keep A-mer-i-ca sing-ing, Do your part, light each heart with a song, —

Keep A-mer-i-ca sing-ing, Do your best, here's the test, sing a song, —

Far or near, sing a song with cheer, It will bright-en each heart that is sad and drear, So

keep A-mer-i-ca sing-ing, And you can't, no you can't, O no you can't, you just can't go wrong.
