May be you'll think of me, When you are all a -
all a - lone
lone May - be the one who is wait - ing for you -
all a - lone
lone all a - lone
for you un - true, Then
will prove un - true Then what will you do -
for you un - true, Then Ooo -
near, then,
May - be you'll sit and sigh, Wish - ing that I were near, then,
near, then,
May - be you'll ask me to come back a - gain, And May - be I'll
1 *rall.* 2
say May - be. And May - be I'll say, say May - be
